Corporate Facility and General Contracting Services

Capuano Construction is a full service facilities maintenance company serving multiple location Retirement Communities, Corporate Centers, Schools and Medical Centers. Our number one goal is to alleviate the enormous pressure that comes with being a facilities manager. One call to Capuano Construction provides you with the comfort and confidence knowing that our highly trained technicians can handle any of your facilities needs. We provide a wide verity of facilities services with Safety, Efficiency and Cost Effectiveness as our trademark.

In business since 1985, we have the experience to keep your facilities running efficiently. We are available 24 hours a day 7 days a week to provide you with our highly qualified, fully integrated network of specialty contractors.

Our highly trained staff is aware of the unique challenges that face Facilities Management. From office remodeling, to simply power washing loading docks, to changing light bulbs, one call gets it done. We have specialized our business to provide Facility Managers with cost effective concierge type service with streamlined efficiency so you can focus your time and efforts on your day-to-day operations.

Thank you for taking the time read our mission statement. We look forward to the opportunity to exceed your expectations, as we have for so many others.

Respectfully,

Mike Capuano
